Next 2 weeks in BPPS

These next 2 weeks we are exploring new concepts in math. We are looking at multiplication and how numbers relate to one another in different ways. The grade R's make use of pictures in counting and learning the values of numbers 1 - 6. Learning through play is crucial for our little ones.

Mr Leon, our chess teacher is also contributing in helping them learn problem solving skills.

BOKAMOSO PRIVATE PRIMARY SCHOOL

GRADE - R

I studied Foundation Phase Education Through *Embury Institute for Education* (now known as *STADIO*)

Graduated in 2018 and moved to Vietnam to teach English. After 5 long years I'm home and excited to mold little hearts and minds!

Interesting fact:

I love to read books and play video games
