## Our School & Thanks

A school is nothing without its community, and that said we are truly grateful to each parent for entrusting us with one your most precious possessions. We also honor each person that contributed to BPPS, our builders, the workers, the cleaning ladies and also our friends and families for dreaming this dream with us.

Now that all of our gratitude has overflow to our followers & supporters, lets get down to business and what this term has instore for our students.

We recently had our Grade 1 Bell ringing ceremony on 17 Jan 2024 to welcome them to "big school."

From 8 January BPPS's total number of children stood at 9 Learners and has this past week increased to 24 learners - GRATEFUL!!
